

# Freezer Beef Options

*Antibiotic Free—No Added Hormones*

Our freezer beef is available as a 1/2, 1/4, Family Meat Pack or as select cuts from our case. Please see information below and use our cutting instruction sheet to help you make the selection that best suits your family's needs. If you need additional information or would like to place an order, please contact Beverly Pounds @ 724-845-7661 or bpounds@poundsturkeyfarm.com.

**1/2 Beef**—This option offers the most versatility. You purchase the whole side of beef (front & hind quarter) at hanging weight & it is cut to your specifications. A side offers: Brisket, Arm/Chuck/Rump & Sirloin Roasts, Rib **or** Delmonico Steaks, T-Bone /Porterhouse Steaks **or** NY Strip and Filet, Sirloin, Skirt & Flank Steaks, Stew, Ground Beef, Soup Bones, Short Ribs.

**1/4 Beef (standard)**—You purchase 1/2 of a side and therefore receive 50% of all cuts from the side (both front & hind quarters). Essentially you are purchasing 1/2 of a half. The best of both worlds—you have a wide variety in a smaller quantity. This option may limit some choices of cuts, as your choices need to match well with the customer who is sharing the half with you. The Standard Qtr Offers: Brisket, Arm/Chuck/Rump & Sirloin Roasts, Rib **or** Delmonico Steaks, T-Bone /Porterhouse Steaks **or** NY Strip and Filet (if possible), Sirloin, Skirt & Flank Steaks, Stew, Ground Beef, Soup Bones, Short Ribs

**Front 1/4**—When purchasing the front 1/4, cutting instructions are to your individual selections. This option is best for families that use lots of ground beef and are less likely to prepare steaks. Options include: Brisket, Arm & Chuck Roast, Skirt Steak, Stew, Ground Beef, Rib **or** Delmonico Steaks, Soup Bones. The Front Quarter is 15cents per pound less than the standard quarter price.

**Hind 1/4**—The hind quarter offers the most selection of high end cuts. This choice costs 35cents more per pound over the standard quarter price. On the hind quarter you will find: T-Bone/Porterhouse Steaks **or** NY Strip & Filet, Sirloin Steak, Flank Steak, Rump & Sirloin Roasts, Stew, Ground Beef, Soup Bones.

**Please Note: When purchasing the above options, you are buying hanging weight. Once cut, your take home weight will be approximately 55-60% of hanging weight. The % is based upon your instructions.**

**EXAMPLE: Hanging Wt. 350 #, Take Home Freezer Meat 192-210#**

**Buy purchasing a 1/2 or 1/4 you save approx. 18-20% over retail market pricing.**

## **Family Meat Pack**

Our Family Pack Includes: 25# of Ground Beef, Combined total of 3 Rump/Sirloin Roasts, 2 Arm Roasts, 3 Chuck Roasts, Combined Total of 6 T-bone & Porterhouse Steaks, 4 Rib Steaks, 4 Round Steaks, 3 Sirloin Steaks. Total weight of pack is approx. 70-75 pounds. Cost is calculated upon current pricing. This option saves you approx. 10% over retail cost of items.
